

DUAL CREDIT

**Greater Ozarks Centers for Advanced Professional Studies
GO CAPS Engineering and Manufacturing
Dual Credit Courses
Fall 2017**

Subject	Crs #	Sect #	Course Title	Credit Hours	Instructor	Course Fee
MGT (All Year)	286	WW1	Business Communications	3	M. Edgerton	\$210
TCM (All Year)	110	WW1	Introduction to Engineering Design	3	Dr. Wiggins	\$210

The fee to enroll in dual credit is \$70 per credit hour. Students can select any or all of the above offered courses.

The above courses will directly benefit a degree path for students; however, it is the student's responsibility to confirm this for the particular degree of study.

The above courses may transfer to another university; however, it is the student's responsibility to confirm this with the selected university/institution.

Enrollment will be available during the first two weeks of classes through the GO CAPS instructors. The students will receive print enrollment packets. Digital enrollment packets will be available through the Missouri State Dual Credit webpage at www.DualCredit.MissouriState.edu
